# GEORGETOWN BI-CENTENNIAL QUILT 1776-1976

**For Reference**

Not to be taken from this room

This quilt is the result of a Bi-Centennial project undertaken by local women. These interested women devoted much time and effort to making the quilt, and the finished product truly shows it. Each square is a place in Georgetown and some of these places can still be seen today.

# Dedication

This year's yearbook is dedicated to a lady whose sincere advice and unselfish dedication helped to make our sophomore year one of our most enjoyable years in high school. She was always there when we needed her, bubbling with good advice and new ideas. Her class spirit rubbed off on all of us, and that year our class won the award for outstanding class spirit. Mrs. Noren united us to work as a unit. Her outstanding job as class advisor helped us to make our Sophomore Hop not only a fantastic experience, but a financial success.

We feel the contribution that she has given to our class deserves a very special "thank you," which is why we dedicate this year's Georgian to Mrs. Anna Noren - a friend, advisor and someone we'll never forget.

# GEORGETOWN BI-CENTENNIAL QUILT 1776-1976

This quilt is the result of a Bi-Centennial project undertaken by local women. These interested women devoted much time and effort to making the quilt, and the finished product truly shows it. Each square is a place in Georgetown and some of these places can still be seen today.
